

NEVER WORRY ABOUT THE COST OF INK AGAIN

WITH EPSON INK TANK SYSTEM PRINTERS

EPSON®
EXCEED YOUR VISION

ULTRA-LOW-COST PRINTING

Whether you are working from home or the office, an Epson ink tank system printer will drive down your printing and business costs. Our range of ultra-high-capacity inkjet printers combine affordability, convenience, quality and reliability in one incredible package.

Ink tank system printers

Unlike other refill systems, these super-economical printers have a fully integrated ultra-high-capacity ink tank for hassle-free high-volume printing and less frequent ink replacement.

High-volume ink bottles, ultra low-cost printing

The ink is supplied in convenient high-volume bottles that have a drip-free nozzle and resealable cap for easy storage of any unused ink. Each bottle yields an extraordinary print capacity and delivers Epson-quality printing at an ultra-low cost per page.

High quality printing with Epson inks

Professional quality printing is guaranteed with genuine Epson ink, delivering brilliant prints time after time. Epson genuine inks are produced in a clean-room environment and optimised to work with Epson's Micro Piezo printhead technology which delivers unrivalled quality, durability and reliability.

Peace of mind with an Epson warranty

With Epson's world-class service, support and warranty programme, you can rest assured that you'll get maximum value and reliability from your printer.

TCO Calculator

Ultra-low-cost colour document printing

Ideal for home and small to medium business use, Epson's single-function and all-in-one ink tank system printers come with enough ink to print approximately 12,000 black and 6,500 colour pages¹ which is equivalent to 63 cartridges of ink². With an integrated ink tank and 70ml ink bottles for easy refilling, Epson L Series printers deliver high quality, ultra-low-cost printing.

Ultra-low-cost photo printing

Ideal for photo printing, the L800 and L1800 ink tank system printers come with enough ink to print up to approximately 1,800 photos³. With an integrated ink tank and 70ml ink bottles for easy refilling, the L800 and L1800 deliver high-quality, 6-colour photo printing at an ultra-low-cost and the L800 allows you to print directly onto printable CD/DVDs.

Ultra-low-cost mono document printing

Ideal for home offices and small to medium workgroups, Epson's range of single-function and all-in-one mono ink tank system printers come with enough ink to print approximately 11,000 pages¹. With an integrated ink tank and a 140ml ink bottle for easy refilling, the WorkForce M Series printers deliver business quality printing at an ultra-low-cost.

4 Colour

L1300

L1300 comes with ink to print up to 7,100 black and 5,700 colour pages¹
